AMENDMENT

Commissioner of Patents and Trademarks
Washington, D. C. 20231

Sir:

In response to the Office Action of December 18, 1991, please consider the
following amendments and remarks.

IN THE CLAIMS

Please amend the claims as follows:

4. (Three times Amended) A chimeric gene which is expressed in
plants cells comprising a promoter from cauliflower mosaic virus, said
promoter[,] selected from the group consisting of a CaMV(35S) promoter and a
